LEARN-CONNECT-COMMUNICATE

Love2learn & L2L Online Academy provides a wide range of courses that have been carefully designed to meet the general and particular needs of our students. We are experts in helping students become effective communicators.

Are you ready?

General Courses

Adaptable, flexible and tailored language learning.

DELIVERY: Online & Blended

LEVELS: From Beginner A1 to Proficiency C2 on the CEFR*.

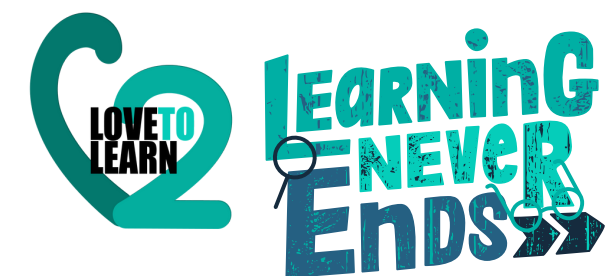

Programme: General & LSP | **Groups:** Avg. 8-10 learners.

Options: Live lessons 1 day per week
OR 2 days per week.

Format: a total of three 12-week modules.

L2L General English Courses focus on **effective communication** and include **comprehensive work on all language skills:** Grammar & Use of English, Vocabulary, Pronunciation, and the communication skills of listening, speaking, reading and writing.

Our experienced teachers specialise in developing the skills needed to effectively master the English language. Whether you have a previous baseline level of English or are a complete beginner, we have a specialised general English course that will perfectly suit your needs.

01

L2L Communicative and Experience Learning means...

Vocabulary and Communication are introduced and practised at every stage of the learning. Special emphasis is given to communicating effectively and accurately and error correction plays an important role in classes.

02

Discourse Management and Intercultural skills

are practised through meaningful interactive tasks and discussions, which include regular integrated work on pronunciation.

05

Learn 2 Succeed

By the end of the course, students will be able to accurately and effectively use the language in different key contexts, and with more confidence.

04

Here for you!

Our L2L Courses are specially designed to give students an intuitive and collaborative platform to develop their English skills in a supportive learning environment.
